INFRES packaging material shredders

INFRES Shredpack-3H 3.8
The Packaging Material Shredder

What do you do with the Q.C. rejected packaging material like sachet packets or blister packs & aluminium foils of medicines?

- (a) do you simply throw them out?
- (b) do you return them back to the vendor?
- (c) do you sell them off as scrap?

BEWARE ! There is a possibility that spurious products could be put in this packing material and sold as the original products of your brand.

The Q.C. rejected packaging material like sachets of FMCG products or blister packs & aluminum sheets of medicines which might filter back to spurious manufacturers can be permanently destroyed by **INFRES** packaging material shredders.

Save your image, reputation & brand equity (created over the years through hard earned investments on Branding, Advertising & Sales Promotion) by installing **INFRES** packaging material shredders at your factory.

Protect your drug manufacturing license and avoid litigation hassles by installing the **INFRES** packaging material shredders.

Packaging material shredders from India's first manufacturer of document shredders
