- Continuous ½ second punch cycle - A high speed, continuous-duty motor punches up to 49,000 sheets per hour
- 13 High Capacity Interchangeable Dies - With up to 70% higher punch capacity and dies which install quickly without tools, Magnapunch 2.0
- meets all your punching requirements
- - Easy-to-Use Edge Guide and Clear Front Window - Operators maintain accuracy, visibility and control at all times.

Interchangeable die sets

Choose the perfect binding style every time. Interchangeable die sets let you change punch patterns without changing machines. It's fast and easy. Dies are labeled for quick identification, slide easily in and out, and lock in place - no tools or levers required. Disengageable pins let you alter patterns and tailor them for smaller-sized sheets.
